

Pride Month

June is Pride Month for the LGBTQIA+ Community- a time to celebrate how far the community has come and a time to reflect on how we can continue to keep enacting positive change for the community. Marriage equality became the law of the land in June 2015- and with marriage comes the possibility of divorce.

Our very own Concetta G. Spirio, Esq. has advocated for LGBTQIA+ rights since she was an undergraduate in college. As an attorney, Concetta believes strongly in the rights of gay, lesbian, bisexual, and transgendered individuals.

We would be remiss to not touch on the social justice movement sweeping our nation right now. The LICDP stands in solidarity with all Americans standing up against injustices across the country.

There are a plethora of opinions surrounding this movement, and coming to any resolution can seem impossible at times.

Click the link below to read an article, written by Liz Vaz, Esq., that provides some guidance on how to come together and truly hear each other, even on emotionally charged topics.
