As we close out
Women's History Month
and look toward the rest of 2021,
let us keep in mind the words
of a leading female voice:

“When we aren't curious in

Our "Professional Profile" for April
highlights the awe-inspiring
Jacqueline M. Caputo, Esq.
Jackie's dedication to her clients and the
Collaborative Process and mediation are
evident in her work. Jackie genuinely
supports her clients through their most

conversations we judge, tell,
blame and even shame,
often without even knowing it,
which leads to conflict."

– Kirsten Siggins

difficult times with compassion,
patience, and understanding of the law.
